BRITISH BAPTIST HISTORICAL RESOURCE MATERIALS:  
BOOKS, TRACTS, PERIODICALS AND SERMONS FROM  
THE LIBRARIES OF ENGLISH BAPTIST COLLEGES  
OF MANCHESTER AND REGENTS PARK

Introduction [P. 946]

These resource materials were selected by the librarian and faculty of the Southern Baptist Theological Seminary, Louisville, Ky. Titles which already were held by Dargan-Carver Library and the libraries of Southern, Southwestern and New Orleans Seminaries were excluded.

These are the latest selection of British Baptist materials and do not in any way duplicate those previously microfilmed. However, they are equivalent in quality to the others.

The materials are arranged according to the following categories: books, tracts, periodicals, 17th Century Baptist sermons. This selection approximates 140,000 pages, which contain 495 titles. It was microfilmed at a low reduction in order to provide an easily read text.

The books are arranged alphabetically by author. The tracts are listed in the order in which they appeared in the library's Baptist tracts, Volumes I-LII. All of the materials are listed according to their arrangement on each reel. The order of the items in the list is:

1. Reel number
2. Title number, which indicates its position in the reel
3. Author, where known
4. Title
5. Place of publication
6. Date of publication
7. Whitley (Baptist Bibliography) number, or volume and page number, if given one

The price for all of the above is \$689.50, which is less than one-half cent per page. The price for single reels is \$15.00.

-----  
In addition to the above, as a separate item, there are listed 49 titles of important basic historical materials that pertain to the field of Religious Education. These have been secured from the libraries of the University of Pennsylvania, the British Baptist Sunday School Society, London, England, and Angus Library, Regents Park College, Oxford, England. They are unobtainable by libraries today and are of vital importance to this field of study. They are priced separately at \$45.39, which is approximately one-half cent per page.

All our prices are f.o.b. Nashville.
